FISCAL REVIEW

Attention: Ms. Leni Chick

RE: Bureau of TennCare
Rates for Behavioral Health Contracts

Dear Mr. White:

The Department of Finance and Administration, Bureau of TennCare, is submitting for consideration by the Fiscal Review Committee the three Behavioral Health Organization amendments. Included in these amendments is updated Section 4.7.2, the Rate Table for Fiscal Year 2008. Due to the fact that the most recent Managed Care Organization contracts for the Middle Tennessee area also include behavioral health as well as medical services for TennCare enrollees effective April 1, 2007, it is extremely difficult to project, based on such a short timeframe, the rates that will need to be included in the BHO rate tables. Therefore, TennCare has requested and received permission to submit these amendments for review with the per member/per month rates blank. As soon as the actuary has adequate information to accurately project these rates, they will be filled in prior to signature. By doing this, we will ensure that the amendments receive all prior review by Fiscal Review and are processed timely through the Office of Contracts Review and the Office of the Comptroller. The maximum liability in the amendments has been completed and will not be changed due to the rates that will be included in the tables.

The Bureau of TennCare greatly appreciates the willingness of Fiscal Review to allow the submission of these behavioral health amendments prior to the table completion. Our desire is to process all documentation according to requirements and at the same time ensure that critical services for TennCare enrollees go uninterrupted.

Sincerely,

Scott Pierce

TO PROVIDER RISK CONTRACT #FA-01-14662**

BETWEEN

**THE STATE OF TENNESSEE DEPARTMENT OF MENTAL HEALTH AND
DEVELOPMENTAL DISABILITIES**

AND

PREMIER BEHAVIORAL SYSTEMS OF TENNESSEE, LLC

For and in consideration of the mutual promises herein contained and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree to clarify and/or amend the Provider Risk Agreement by and between the State of Tennessee Department of Mental Health and Developmental Disabilities, hereinafter referred to as **TDMHDD**, and Premier Behavioral Systems of Tennessee, LLC hereinafter referred to as the **Contractor**, as follows:

Titles and numbering of paragraphs used herein are for the purpose of facilitating use of reference only and shall not be construed to infer a contractual construction of language.

1. **Section 2.5.5.2.1 shall be amended by modifying the evaluation time frame from 60 to 90 days to 30 to 60 days so that the section now reads:**

Section 2.5.5.2.1 The Contractor must provide mandatory outpatient treatment for individuals found not guilty by reason of insanity following a 30-60 day inpatient evaluation. Treatment can be terminated only by the court. (Tennessee Code Annotated §33-7-303(b)).

2. **Section 2.5.7 – TENNderCare shall be amended by adding a new section 2.5.7.14 that reads as follows:**

MCCs must have the ability to conduct EPSDT outreach in formats appropriate to enrollees who are blind, deaf, illiterate or non-English speaking. At least one attempt must advise enrollees regarding how to request and/or access such assistance and/or information. The CONTRACTOR shall collaborate with agencies that have established procedures for working with special populations in order to develop effective outreach materials.

3. Section 3.4.1.1.6 – Coordination of Services

This section shall be amended by adding new language so that the amended section 3.4.1.1.6 shall read as follows:

3.4.1.1.6 Tennessee Department of Education (DOE) and local education agencies for the purposes of coordinating educational services for Enrollees in inpatient, residential, and day treatment mental health facilities, and compliance with the requirements of Individuals with Disabilities Education Act (IDEA).

The CONTRACTOR is responsible for the delivery of medically necessary covered services to school-aged children. BHOs are encouraged to work with school-based providers and the Department of Health's Project Teach staff to manage the care of students with special health care needs. The State has implemented a process, referred to as TENNderCARE Connection, to facilitate notification of BHOs when a school-aged child enrolled in TennCare has an Individualized Education Plan (IEP) that identifies a need for behavioral health services. In such cases, the school is responsible for obtaining parental consent to share the IEP with the BHO and for subsequently sending a copy of the parental consent and IEP to the BHO. The school is also responsible for clearly delineating the services on the IEP that the BHOs are to consider for payment. The CONTRACTOR must designate a contact person to whom correspondence concerning children with behavioral health services included in their IEPs will be directed. After receipt of an IEP, the BHO must:

3.4.1.1.6.1 Either accept the IEP as indication of a behavioral health problem and treat the IEP as a request for service authorization and assist, if necessary in making an appointment to have the child evaluated by an in-network provider in accordance with the time frames specified in the TennCare Waiver Terms and Conditions for access to care.

3.4.1.1.6.2 Send a copy of the IEP and any related information (e.g. action taken by the BHO in response to receipt of the IEP, action the BHO expects the PCP to take) to the PCP.

3.4.1.1.6.3 Notify the designated school contact of the ultimate disposition of the request (e.g. what services have been

approved for the child, what arrangements have been made for service delivery).

The Teen/Adolescent Newsletter shall be a product of the MCC Adolescent Well-Care Collaborative. The MCCs will agree on five required topics to include in each newsletter.
